

**B125****CLENSAN®****1 LITRE SPRAY****LABEL INSTRUCTIONS****Product Description & Directions for Use:**

A ready-to-use bactericidal sanitiser and deodoriser, specially formulated for use on carpet fibres and fabrics. Clensan's new biocidal formula is approved to EN1276 for direct spray treatment and is effective against a wide range of harmful organisms including bacteria and viruses.

**For professional and industrial use only.**

Scrape or blot up any excess soiling. Heavy soiling should be thoroughly cleaned and rinsed before the application of Clensan.

**Always pretest carpet or fabric for colour fastness and texture change before proceeding.**

Apply by sprayer to affected areas and leave for 5 to 15 minutes contact time. Rinse area with water then blot with white towel or tissue and brush to align fibres.

**CLENSAN®** is a ready-to-use sanitiser and deodoriser for carpets and fabrics.

- Protects from harmful bacteria and odours caused by contaminated water or food spoilage and pets.
