

Masocare Extra

Ready to use teat dip & teat spray

Description

A ready to use iodophor based solution which has been specially formulated to help reduce the bacterial contamination that causes mastitis in dairy herds. It reduces the risk of infection by leaving an antiseptic film of iodine adhering to teats which have been treated by dipping or spraying. It contains, at 12%, a very high level of Glycerol and Sorbitol as emollients, to help ensure excellent teat condition under all conditions.

Features & Benefits

- Medicines Act approved iodophor formulation
- Effective aid in the control of mastitis
- Ready to use as a teat dip/spray
- Dilute 1:80 as an udder wash/cluster dip
- All year round teat care system
- High emollient level aids healing of cracked & damaged teats
- Contains 12% Glycerol & Sorbitol

How to Use

TEAT DIPPING:

Fill teat cup about $\frac{2}{3}$ full. No dilution is required. Dip teats of every cow immediately after each has been milked, making sure that the full length of the teat is immersed. Top up with fresh solution as required. Empty and wash out cups after milking.

TEAT SPRAYING:

Immediately after milking, spray the entire surface of each teat of every cow. No dilution required.

UDDER WASHING & CLUSTER DIPPING

Dilute 1:80. To help prevent cross infection, individual cloths or disposable paper towels are strongly recommended. Dry teats before milking. Immerse clusters & agitate for at least half a minute. Rinse in clean water before use. Wash & dry udders & teats before milking.

Composition

Contains a blend of Iodine, Glycerol, Sorbitol & Nonionic Surfactant.

Typical Product Data

Appearance:	Liquid
Odour:	Faint Iodine
Specific Gravity (20°C):	1.036
Colour:	Dark Brown
pH – undiluted:	4.00
Shelf Life Unopened:	2 Years

Packaging

Pack:	Order Code	Pallet Size
25lt	R065K	24 x 25lt
200lt	R065N	4 x 20

Storage:

Store in original sealed container and protect from extremes of temperature.

Biodegradability:

All surfactants used in Evans Vanodine products comply with the current European Regulations concerning Biodegradability and protection of the environment.

Quality Assurance

This product is manufactured in the U.K. by EVANS VANODINE INTERNATIONAL PLC whose Quality System is registered by THE BRITISH STANDARDS INSTITUTION Cert of Reg. No. FM 09535

Revision Date: 1107
