

# Masodip Extra

## Ready to use teat dip & teat spray

### Description

A clear, pink, ready to use teat dip and teat spray, formulated with Chlorhexidine Gluconate and Benzalkonium Chloride, which work together to help reduce the bacterial contamination that causes mastitis in dairy herds. It also contains, at 12%, a very high level of Glycerol and Sorbitol as emollients, to ensure excellent teat condition under all conditions.

### Features & Benefits

- Medicines Act approved chlorhexidine formulation
- Effective aid in the control of mastitis
- Ready to use as a teat dip/teat spray
- Dilute 1:67 as an udder wash/cluster dip
- Non-toxic, odourless & non-staining
- High emollient level aids healing of cracked & damaged teats
- Contains 4500 ppm Chlorhexidine Gluconate, 12% Glycerol & Sorbitol

### How to Use

#### WASHING

Wash & dry udder and teats before milking.

#### TEAT DIPPING:

Fill teat cup about  $\frac{2}{3}$  full. No dilution is required. Dip teats of every cow immediately after each has been milked, making sure that the full length of the teat is immersed. Top up with fresh solution as required. Empty & wash out cups after milking.

#### TEAT SPRAYING:

Immediately after milking, spray the entire surface of each teat of every cow.

#### UDDER WASHING & CLUSTER DIPPING

Dilute 1:67. To help prevent cross infection, individual cloths or disposable paper towels are strongly recommended. Dry teats before milking. Immerse clusters & agitate for at least half a minute. Rinse in clean water before use.

### Composition

Contains a blend of Chlorhexidine Gluconate, Sorbitol, Nonionic Surfactant, Isopropyl Alcohol & Dye.

### Typical Product Data

Appearance:	Clear Liquid
Odour:	Faint Alcohol
Specific Gravity (20°C):	1.040
Colour:	Red
pH – undiluted:	5.7
Shelf Life Unopened:	2 Years

### Packaging

Pack:	Order Code	Pallet Size
25lt	R079K	24 x 25lt
200lt	R079N	4 x 200lt

### Storage:

Store in original sealed container and protect from extremes of temperature.

### Biodegradability:

All surfactants used in Evans Vanodine products comply with the current European Regulations concerning Biodegradability and protection of the environment.

### Quality Assurance

This product is manufactured in the U.K. by EVANS VANODINE INTERNATIONAL PLC whose Quality System is registered by THE BRITISH STANDARDS INSTITUTION Cert of Reg. No. FM 09535

### Revision Date: 1107
