## E717 NATURAL CARPET PRESPRAY RTU SPRAY

### LABEL INSTRUCTIONS

#### Product Description & Directions For Use:

Conforms to Design for the Environment formula guidelines.  
Awarded Carpet & Rug Institute Gold-level cleaning performance.  
WOOLSAFE approved maintenance product for wool carpets and rugs.  
Biodegradable, phosphate-free and VOC compliant.  
Gentle pH safe for all types of carpet, including wool and stain-resistant nylon.  
Encapsulation technology – leaves no sticky residues to attract soil.  
Contains natural lemongrass, eucalyptus and tea tree oil fragrance.  
Natural Carpet Pre-spray 1L Spray is ready-to-use. Do not dilute further.  
Always pre-test carpet for colourfastness with solution in an inconspicuous area before proceeding.  
Vacuum carpet thoroughly, to remove dry soil.  
Treat spots and stains with Natural Carpet Spotter according to label instructions.

**NATURAL CARPET PRESPRAY** is a biodegradable, low VOC volatile organic compound concentrate for pre-treating heavily soiled areas of carpets.

- Incorporates encapsulation technology to help prevent sticky residues that may attract soil.
- Mild pH is suitable for applying to most carpets and rugs.
- Clear liquid with natural lemongrass and herbal fragrance.
- WoolSafe approved.

**pH Concentrate:** 8.0

**pH Diluted:** Not applicable. Do Not Dilute

### HANDLING AND SAFETY

Keep out of the reach of children.  
Avoid contact with skin and eyes.  
In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.  
Wear suitable gloves.

Please consult the Safety Data Sheet before using this product.
