

Pre-Dip

Pre-dip

Description

An iodophor-based solution which should be used to prepare cows teats before milking. It is fast acting, only needing to be left on the teats for 15 seconds, and has strong bactericidal properties (passing EN1656), thus helping to control the total bacteria count in the milk tank. In a ready to use formulation which is especially useful for situations where measurement and mixing are likely to prove inconvenient. A full laboratory report is available upon request..

Features & Benefits

- Ready to use iodophor formulation
- Bactericidal – passes EN1656
- Fast acting formulation
- Helps maintain low Bactoscan counts
- May be dipped or sprayed

How to Use

Make sure udder & teats are clean & dry before using this product.

DIPPING:

Fill teat cup $\frac{2}{3}$ full with PRE-DIP. No dilution is required. Dip teats of every cow, making sure that the full length of the teat is immersed. Allow 15 seconds contact time, then using a single service paper towel, wipe & dry the teats thoroughly, before continuing with the normal milking routine. Top up with fresh solution as required. Empty & wash out cups after milking.

SPRAYING:

Spray the entire surface of each teat of every cow with PRE-DIP. No dilution is required. Allow 15 seconds contact time, then using a single service paper towel, wipe & dry the teats thoroughly, before continuing with the normal milking routine.

Composition

Contains a blend of Iodine & Nonionic Surfactant

Typical Product Data

Appearance:	Liquid
Odour:	Faint Iodine
Specific Gravity (20°C):	1.003
Colour:	Dark Brown
pH – undiluted:	4.00
Shelf Life Unopened:	12 months

Packaging

Pack:	Order Code	Pallet Size
25lt	R029K	24 x 25lt
200lt	R029N	4 x 200lt

Storage:

Store in original sealed container and protect from extremes of temperature.

Biodegradability:

All surfactants used in Evans Vanodine products comply with the current European Regulations concerning Biodegradability and protection of the environment.

Quality Assurance

This product is manufactured in the U.K. by EVANS VANODINE INTERNATIONAL PLC whose Quality System is registered by THE BRITISH STANDARDS INSTITUTION Cert of Reg. No. FM 09535
