

Search® Laundry liquid

- High active laundry liquid formulated to remove heavy stains, soil & odours.
- The blend of detergents & optical brighteners provide a brilliant cleaning performance.
- Outstanding washing ability at all temperatures in hard or soft water.
- Phosphate free formulation.
- Appealing perfume which leaves fabrics smelling clean & fresh.
- Suitable for washing clothes by hand.
- For use in all automatic & 'on-premise' laundry machines.
- Pack size: 2 x 5 litre. Order code: A012EEV2

HOW TO USE

Pour into the main wash dispenser, dosing ball or dispense into machine through an electronic dispenser. Problem stains may be treated by pouring a small amount of product onto the stain, rub in gently then wash as normal.

Please remember to check the colourfastness of the fabric first & follow the garment's washing instructions. For extra softness we recommend the use of SEARCH FABRIC CONDITIONER in the final rinse.

HOW TO USE		
5-9kg wash	Soft-Medium water	Hard water
Normal soiling	120ml	150ml
Heavy soiling	150ml	180ml
9 - 23kg wash	Soft-Medium water	Hard water
Normal soiling	150ml	250ml
Heavy soiling	200ml	300ml

To help calculate the correct dilution, a tea cup holds approximately 220ml
