SOLVEX

LABEL INSTRUCTIONS

Product Description & Directions For Use:

A non-volatile water-rinseable solvent and detergent spot remover for oil-based paint, emulsion paint, solvent soluble ink and other solvent soluble stains on carpets, fabrics and hard surfaces.

For professional and industrial use only.

Always pretest carpet, fabric or surface to be treated before proceeding.

Do not use on solvent sensitive fibres or surfaces (such as some plastics).

For indoor use ensure there is adequate ventilation.

Apply Solvex directly to stain. **DO NOT OVER-APPLY.**

Scrape any softened residues with a blunt knife or blot spots gently with white towel or tissue. **DO NOT RUB.** Repeat application if required.

For best results, rinse extract with water to remove all residues and prevent ring marks.

Note: Some old ink and paint marks may be permanent.

- A penetrating blend of non-volatile solvents and detergents.
- Ready-to-use in a 1 litre bottle
- Water rinseable
- Sufficient dwell time is necessary to soften hardened paints or varnishes.
- Do not use on solvent-sensitive surfaces such as some plastics.
- Do not use on floor coverings with solvent-sensitive backings such as bitumen, foam latex etc. or where it may affect adhesives.
- Clear solvent with aromatic odour.

Causes serious eye damage. May be fatal if swallowed and enters airways.

Repeated exposure may cause skin dryness or cracking.

Keep out of reach of children. Do not breathe vapours / spray.

Wear protective gloves / protective clothing / eye protection / face protection.

IF SWALLOWED: Immediately call a POISON CENTRE / doctor.

Do NOT induce vomiting.

IF IN EYES: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing.

Immediately call a POISON CENTRE / doctor.

Dispose of contents/container in accordance with local / regional / national / international regulations.

Please consult the Safety Data Sheet before using this product.

This product is intended for professional use only. The information given is intended to be of assistance to users but is without guarantee. Variations can occur in application and users are advised to conduct their own tests. Suggestions for use neither give nor imply any guarantee as to the intended use.
