

# THICK BLEACH

## BLEACH (4.9% AVAILABLE CHLORINE)

- *Thickened formula - clings to vertical surfaces*
- *Low odour - no choking fumes*
- *Whitens soiled and stained fabric*

### USES

A concentrated bleach solution that kills a wide range of pathogenic bacteria, and with regular use prevents the build up of slime and fungi.

A pale yellow, thickened liquid with a characteristic odour, Thick Bleach whitens soiled and stained fabrics.

Suitable for use to clean and disinfect drains, floors, lavatories, waste pipes and other areas that need a powerful disinfectant.

### DIRECTIONS

Use undiluted to disinfect drains, toilets and waste pipes.  
For general disinfection, dilute at a ratio of 1 part to 120 parts water. Apply using a mop or cloth, allow a few minutes contact time, agitate and rinse away.

**N.B.** Handle with care - splashes can cause damage to some floors and fabrics. Never mix THICK BLEACH with other chemicals.

**Use biocides safely. Always read the label and product information before use.**
