

ORBIT

NEUTRAL EXTRACTION CLEANER FOR CARPETS

- **Non-foaming for ease of use**
- **Free from enzymes and phosphates**
- **pH controlled to 7 - 7.5**

USES

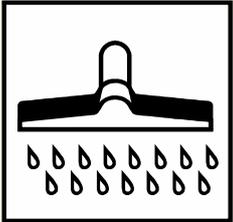

A concentrated, non-foaming cleaner for use in extraction machines to clean carpets and upholstery. Can be used with hot or cold water.

A special blend of cleaning agents, perfumes and anti-resoiling agents, Orbit is pH controlled to minimise the risk of colour bleed or fabric damage. Orbit is free from optical brighteners, enzymes, solvents and phosphates.

Ideal to clean and revitalise all water washable fabrics, including woollen carpets and rugs.

DIRECTIONS

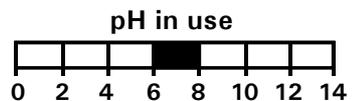

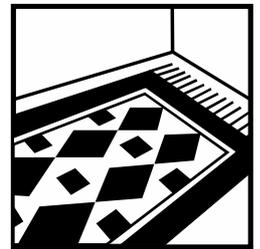

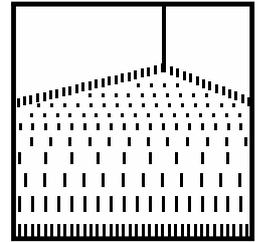

Dilute ORBIT according to the level of soilage with hot or cold water. Clean the carpet/fabric, taking care to extract as much liquid as possible. Go over areas of stubborn dirt several times if necessary. Do not rub the carpet. Use the lance in a slow, steady motion. Allow the carpet/fabric to dry, preferably overnight. Any furniture should be moved away from wet carpet areas or placed on waterproof coasters to prevent the risk of staining from metal coasters, etc.

DILUTIONS

ORBIT : WATER	
Normal cleaning 1:100	Heavy duty cleaning 1:50

Code: 359
