

Enhance Foam Shampoo

Foam shampoo

Description

Foam shampoo.

Key properties

Neutrafresh technology destroys unpleasant smells leaving a fresh apple fragrance.

Benefits

- Added soil barrier protects carpet fibres against re-soiling after cleaning
- Absorbs soilage into foam allowing dried foam and soilage to be vacuumed away

Use instructions

Always test for colour fastness in an inconspicuous area before use. Dilute 1 part product to 10 parts warm water. Shampoo the carpet following the equipment manufacturer's operating instructions. Allow the carpet to dry completely. The drying process is the most important step in this cleaning method. As it dries the foam absorbs the soilage and sets up the soil barrier to retard the resoiling of the carpet pile in use. Vacuum the carpet thoroughly to remove the dried foam and loosened dirt.

Technical data

Appearance:	Clear pale yellow liquid
pH:	8.0-9.0
Shelf life:	24 months

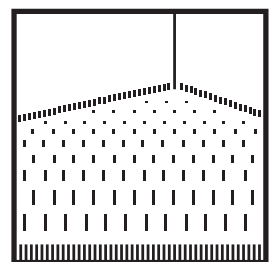

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Store in original closed containers away from extreme temperatures. Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet.

Available pack sizes

5 L
